

Quality Statement

Design Organisation Approval
 Part21 sub part J Approval
 EASA.21J.190

At Percival Aviation Limited; Quality Assurance programmes are evident throughout the organisation. The company is rigorous in its quality assurance techniques and holds the approvals opposite.

Production Organisation Approval
 Part 21 sub part G Approval
 UK.21G.2024

In addition to these regulatory approvals, Percival Aviation Limited has quality assurance recognition from many of the worlds leading airframe manufactures and airlines.

Percival Aviation Limited embraces change and modern thinking with respect to progressive management techniques such as Lean and 6S.

Percival Aviation Limited fully assesses the benefits of each technique and how appropriate they are to the business rather than adopting each and every one as the latest vogue requirement.
